Moving Forward: Exploring Facility Solutions

Following the recent bond proposal that did not pass, the Hemingford Board of Education continues to focus on addressing our most critical facility needs.

The facility issues identified through our comprehensive assessment process remain, as does our commitment to providing the best possible education for our students. Our board and administrative team have been working to develop a smaller-scale project that prioritizes the most urgent and time-sensitive needs, while also advancing the development of a long-term master facility plan to guide future work.

At the November Board of Education meeting, the Board will consider joining the Nebraska Educational Building Association (NEBA) to explore options for these essential facility improvements. NEBA offers low-cost, flexible opportunities for school capital projects across Nebraska. Importantly, use of the facilities being considered could likely be paid for within the current level of Building Fund taxation, meaning our district could address urgent facility issues without increasing the tax rate in the Building Fund.

The Nebraska Educational Building Association (NEBA) is a statewide interlocal agency that helps Nebraska school districts secure critical facilities through low-cost, tax-exempt lease agreements. NEBA provides technical and financial expertise and owns the facilities constructed. NEBA then leases the facilities to the districts, enabling districts to address building needs in a flexible and cost-effective manner—without the additional costs and complexities associated with traditional bonding.

For Hemingford, joining NEBA could open the door to practical solutions for addressing our highest-priority facility needs while staying within our current budget and levy capacity.

As always, if you have ideas or suggestions on how we can continue to improve and support our students, please don't hesitate to call, email, or stop by my office. I value your input and appreciate the opportunity to work together.

Keep striving, keep caring, and as always—Get Up, Bobcat Nation!

HIGH SCHOOL UPDATES

Josh Redden

The month of October flew by! The fall sports seasons are wrapping up after a successful stretch on the court, field, course, and in the classroom. I want to commend our seniors for their leadership and commitment to building pride in our programs, you continue to make Bobcat Nation the best it can be!

A big thank-you also goes out to our fans, families, and community members who consistently support our students at all types of events. Your presence means so much to our kids. And to our coaches and their families, thank you for the countless hours and dedication you invest in our students and their growth.

At the Junior High level, we had great participation in volleyball, football, and cross country. There were over 30 girls out for volleyball, which for a school our size is amazing. Football had around 20 boys and one very tenacious girl out. The 2nd quarter sports have started for the JH students and right now there are around 20 girls out for basketball and 10 boys out for wrestling. Their matches and games will be kicking off very soon with the first wrestling meet beginning on Halloween.

Parent teacher conferences were held on October 15th. We only had a 43% participation rate for all grades with 7th grade being the best rate of 55%. Thank you to those who were able to attend. Also, shoutout to the parents who filled out the parent survey that went out. That data is very useful to our school district as we work towards our Continuous Improvement everyday.

ELEMENTARY EXCERPTS

Eric Arneson

Thank You for a Great First Quarter!

We've had a fantastic start to the school year! The first quarter wrapped up on a high note with wonderful participation at Parent/Teacher Conferences. Thank you for your continued support of your child and our school; it truly makes a difference.

Cool Weather Reminder

Daylight Saving Time ends on Sunday, November 2. As the temperatures drop, please remember that students cannot wear shorts to school until Daylight Saving Time begins again on March 8. We try to have outdoor recess as often as possible, and students will go outside when the temperature and wind chill are 10°F or above. Please be sure your child comes to school with weather-appropriate clothing so they can stay comfortable and enjoy recess time.

Thanksgiving Break

There will be no school from November 26–30 for Thanksgiving Break. We hope everyone enjoys a safe and restful holiday with family and friends!

NURSING NEWS

Written by Nurse Kimball

Washing your
hands is the single
most effective way
to prevent the
spread of illness.

Cold and Flu:

Cold and flu season are in full swing. Remember to wash your hands often, get plenty of sleep, and eat nutritious foods to help prevent illness. Nutrients that really boost your immune system are Vitamin C, Vitamin D, and Zinc. Don't forget to stay hydrated, too!

Fall Into Wellness:

The Mayo Clinic has a great program called "Fall Into Wellness" to help encourage you to build healthy physical and mental habits that work for your every day life. You can find details at:

<https://www.mayoclinichealthsystem.org/wellness/fall-into-wellness>

Health Screenings Day:

Our annual Health Screenings Day for grades K-4th, 7th, and 10th was on Monday, October 20th. Notices have been mailed out for students who we recommend see a dentist or optometrist. Students who failed the hearing screening will be retested soon. If they fail the hearing test again, parents will be notified. If you do not receive notification, your student passed all screenings. Students who were absent will be screened as I have time. If you have any questions about the screenings, or your student's results, please contact me.

Counselor Corner

Monthly Focus:

This month, our counseling focus is on gratitude—recognizing and appreciating the good things in our lives. Taking time to notice what we're thankful for can boost our mood, strengthen relationships, and help us handle challenges with a positive mindset. Encourage your child to share one thing they're grateful for each day—big or small! A thankful heart makes a happy mind.

November Fact

Did you know November is National Gratitude Month? Practicing gratitude has been shown to increase happiness, reduce stress, and improve overall emotional well-being. Taking a few moments each day to reflect on what we're thankful for can make a big difference in our mental health!

Wellness Tip

Cultivate Resilience

This month, focus on gratitude as a way to build resilience. Encourage your child to reflect on challenges they've overcome and find positives in their experiences. It's a powerful way to grow stronger.

Responsibility Overview

This month we are talking about Responsibility. One way to define Responsibility is “taking action and understanding the impact of our choices.” Taking action can mean doing the right thing or completing the tasks you have been assigned. Understanding the impact of our choices means that our actions matter. Positive and responsible actions can help people and irresponsible actions can hurt others.

Responsibility is 1 of 3 traits we will focus on throughout the year that helps students **Be Strong**.

Across grade levels students will be developing skills like focusing, organizing, and goal-setting.

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Responsibility. Here are 2 “PurposeFull Pursuits” you can complete together!

#1

As a family, think of ways in which you might make someone’s life a little easier by helping a neighbor or family friend with 1 of their Responsibilities. Could you bring the garbage to the chute or out to the curb? Could you carry things in from the grocery store? Could you invite someone over for a meal or a show?

#2

Review Responsibility as a family! Responsibility is taking action and understanding the impact of our choices.

Choose 1 household chore (or more!) that requires multiple steps. Then have each member of the family select 1 step to complete to help get the job done! Maybe it’s washing the dishes, doing laundry, cleaning the living room, or unloading the groceries – whatever it is, see who can be the quickest or most effective at their task!

Conversation Starters

- Can you share or show what it means to be Responsible?
- How can we help each other practice being more Responsible?

The Bobcat CARE (Community Action Reaching Education) Fund

Living in a small community, we understand the importance of working together and relying on one another for success. However, resources can sometimes be limited. During tough times, parents and families may struggle to provide their children with everything they need. The Bobcat CARE Fund steps in to assist families by offering supplies, clothing, shoes, toiletries, school lunch, milk, and even support for CNA certifications.

How it Works

The Bobcat CARE Fund operates in a straightforward manner. When teachers or parents identify a student's needs, they reach out to the Principals at Hemingford Elementary and High School. These needs, such as winter coats, tennis shoes, or assistance with school lunch, can be addressed through the CARE funds. The specific needs can be posted on our Facebook page and website. If someone wishes to donate an item, they can comment or message on Facebook or contact the school directly. Donations, whether items or funds, can be dropped off at the school and will be distributed to the students in need. This program is entirely confidential, and no student names are ever disclosed.

To request help:

Contact our Elementary or High School Principals by completing the form at this link:
[Bobcat CARES Referral/Request Form](#)

Or

Contact Us:

Mr. Arneson, Elementary School Principal: (308) 487-3330

Mr. Redden, High School Principal: (308) 487-3328

We will gather the necessary information based on what is needed or can assist in finding resources for you to reach out to. As part of this process, you are also encouraged to visit with your student's teacher about items your child may need.

To support our fund:

Donate items/funding through your business. Also, feel free to post our information page in your business to help us spread the word about The Bobcat CARE Fund.

Donate items/funding personally through HCF (taxable deductions)

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

“Get Inside. Lock outside doors”

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

“Locks, Lights, Out of Sight”

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the “Muscle Memory” associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.

NEBRASKA SMART IS A FREE VIRTUAL TUTORING PROGRAM FOR STUDENTS IN GRADES K-12.

Teacher education candidates from Chadron State, Peru State, and Wayne State Colleges remotely tutor students in rural Nebraska. This program is currently offering services to:

- All NRCSA member school districts
- Educational Service Unit 1
- Educational Service Unit 4
- Educational Service Unit 13
- Other select smaller rural school districts

Visit our website for the full list of school districts served.

HOW IT WORKS

Nebraska students in grades K-12 have free access to online tutoring with a qualified Tutor in English, math, science, and social studies. Parents must first register their child. Once registered, students can request pre-scheduled appointments with a Tutor or log in and request on-demand tutoring to be connected with the next Tutor available in the queue. Students should provide homework for which they wish to receive help or topics that they would like to cover.

TUTORING HOURS

OUR PARTNERS

The Nebraska Department of Education has awarded a grant to the Nebraska State Colleges to develop a program that provides free online tutoring to K-12 students in rural Nebraska.

OUR TUTORS

Tutors are full-time students at Chadron, Peru, and Wayne State Colleges who have been admitted to the teacher education program, have completed background checks, and received training through their teacher education program coursework.

Bobcat of the Month

-JAMES LANIER

This quiet young man is one of the most respectful kids I've ever been around this year. James gives the his best effort, is coachable, and accepts challenges. I'm looking forward to this kid being in the Hemingford hallways several more years. Proud of you James!

Mini Bobcat of the Month

-ADDY VOGEL

ADDY COMES TO CLASS WITH A POSITIVE ATTITUDE EVERY DAY. SHE ALWAYS IS WILLING TO HELP HER CLASSMATES AND TEACHERS WITH WHATEVER THEY MAY NEED. SHE INVOLVES HERSELF WITH BOBCAT BRANCH AS WELL AS STUDENT COUNCIL WHICH FURTHER SHOWS HER ABILITY TO POSITIVELY LEAD. ADDY ENGAGES IN THE CONTANT AND PARTICIPATES BEYOND WHAT IS EXPECTED. ADDY IS A LEADER IN THE CLASSROOM AND SCHOOL AND DEMONSTRATES IT WHENEVER SHE GETS THE CHANCE!

Optimist Bobcat Club

Bobkitten of the Month -JAIDYN KUHN

Jaidyn always comes to school with a smile on her face and is always so happy to be here! She is a great friend and is a pure delight to everyone she is around. She also has the BEST manners!

Veteran Bobcat of the Month

-Deb Henderson

I am nominating Miss Deb because every time I am that I pass by the kitchen, she is always working so hard. She has a great smile on her face and is always willing to help. She is exceptionally kind to the children. She is a ray of sunshine in our school district.
